## story

we never give up on a child

Spring 2011

*I never realized when we were adopting how close I would be with my son, Keenon.*

*There's no better feeling than when I get a call in the field and hear him say, "Dadda ... home."*

— Nate Anderson

## Adoptive Parents “Pull for Kids” at The Baby Fold

When the Andersons of Rankin, Illinois, married in 2000, they had hopes to become parents in the near future. Unfortunately, they had no luck after trying for eight years to have children. That’s when they made a decision that changed their lives forever — they decided to adopt a child through The Baby Fold.

“My wife Shannon and I were on our way home from a tractor pull the day we got the call from The Baby Fold to pick up our son,” said Nate who, along with his two brothers and mechanic, has been part of the Illiana Pullers Association (IPA) for nearly four years.

“Getting that call,” Nate continued, “was better than any adrenaline rush from pulling — we were so excited!”

The coincidence of adopting their son on the same day they were at a tractor pull is a memory that stuck with the Andersons, and led Nate to introduce the idea of a tractor pull to benefit kids at The Baby Fold.

People were immediately receptive and so the “Pullin’ for Kids” Charity Tractor Pull was held at the Rantoul National Aviation Center on August 28, 2010. Together with corporate sponsors, this unique summertime event raised \$8,635 for our kids here at The Baby Fold!

“I really didn’t know if anyone would take me seriously when I suggested the charity pull, but everyone was so helpful,” said Anderson. “These kids need someone to be in their corner — so if I can help put food on the table for the children, it’s a pretty special thing.”

Thank you, Nate & Shannon — and every one of the amazing sponsors and participants that made this event such a grand success. We appreciate your help as we keep on “Pullin’ for Kids” everyday! ■

The children in greatest need of permanent homes are:

- those living in residential care and foster homes whose families are no longer able to care for them and
- orphans in foreign countries.

This need, along with state funding setbacks, caused The Baby Fold to review and re-focus its adoption services on international and special needs children. You can read more at [www.thebabyfold.org/news/?p=543](http://www.thebabyfold.org/news/?p=543).

# Thank You!

Without you — our dedicated community of friends and supporters — The Baby Fold's mission to love and care for all kinds of special needs children would be impossible. Thank you for not giving up on these beautiful children!

**One of our children told her grandmother that she learned about “The Despicables” in Sunday School. The grandmother pondered what she meant and asked, “You mean, the twelve despicables?” The child lit up, “Yes, they were friends of Jesus!”**

# Highlights from 2010 Festival of Trees

- New location at the U.S. Cellular Coliseum
- 13,500 people attended
- Raised over \$208,000

The signature of the event was once again the many decorated Christmas trees. A total of 87 trees — including 47 seven-ft trees and 40 four-ft trees — were auctioned off. *The Merry Christmas & Flushing New Year Tree*, designed by Advantage Plumbing, brought in \$875 — the most of any tree at the Festival. Additionally, the festival sold 89 celebrity trees and items, with an autographed Blackhawks hockey stick bringing \$500.

We are looking for volunteers, designers and sponsors for the 2011 Festival of Trees NOW. We will be holding a Festival Designer Kick-off on Saturday, April 16, with food, fun and ideas for this November's event.

If you'd like more information or to join us April 16, call Di at (309) 451-7206 or e-mail [dshepherd@thebabyfold.org](mailto:dshepherd@thebabyfold.org).

**Thank you for helping to make this fun community event a wonderful success!**

### Hammitt Junior-Senior High School

- The *Hurricanes* completed their very first volleyball season with a winning record of 3-2!
- The junior-senior high also had 14 honor roll and 4 high honor roll students.
- The two December graduates of HJSHS are now both enrolled and attending classes at Heartland Community College in Normal.

Hammitt Schools also continue to enhance their vocational training experiences for students, working with area business partners to create Competitive Work Opportunities (CWO) that include employment of 6 to 9 hours per week earning minimum wage or higher while attending school.

**THANK YOU FOR MAKING THESE ACHIEVEMENTS POSSIBLE FOR OUR KIDS!**

### Central Illinois Regional Broadband Network

The Baby Fold has joined the Central Illinois Regional Broadband Network, which is slated to bring advanced high-speed internet capabilities to 135 agencies like The Baby Fold. This new network will provide effective and cost-efficient services that include telepsychiatry — which allows specialists around the state to see our kids and pick up on important visual and verbal cues necessary for accurate diagnosis and treatment.

### The newly-formed Director Emeritus Group

composed of former Baby Fold Board Members, has finished its first project to raise funds for completion of a bike shed at the Residential Treatment Center to keep the bikes of 28 children out of the elements.

The group has already begun its next venture — supporting employees to attend an important conference on state-of-the-art care for residential children.

## APRIL is National Child Abuse Prevention Month

The Baby Fold has launched a new prevention service aimed at dealing with stressors in the home before they turn into abuse and neglect!

Differential Response provides support to families with challenges like parenting, discipline, unemployment, housing, transportation and other stressors that can lead to child abuse or neglect within the family.

## Summer Camp donations — 2010

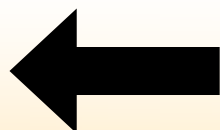

The McLean County Fraternal Order of Police, Lodge Number 176, donated \$10,000 to support The Baby Fold's 2010 Summer Camp program, which ran from July 12-16 at East Bay Camp in Hudson.

The Baby Fold also received more than \$5,000 collected by high school students from area Methodist churches who participated as helpers in the week-long camp.

In total, private donors raised more than \$30,000 to support camp — wow, **THANK YOU!**

The Baby Fold Camp is offered to child clients of The Baby Fold every summer. This monetary donation is critical as the costs of camp transportation and staff continue to grow from year to year and revenue from the State of Illinois remains flat. Summer camp is a time for The Baby Fold's children to learn new skills, take in the quiet beauty of nature, and quite literally make a splash with fun activities! It's a time when our kids are taken out of their comfort zones and allowed to explore possibilities. Through it all, they build friendships, self-esteem and an even deeper respect for the teachers and staff who care for them.

The 2011 CAMP SEASON IS COMING UP SOON — I hope you can help us provide special scholarships this year!

Don't forget to  
**USE THE ENCLOSED REPLY**  
to invest in children right now!
