Healthy Start

In 2021, 122 families were served in our Healthy Start Program with 38 of those families graduating from the 5-year program. Healthy Start has a 96% success rate of breaking the cycle of abuse and neglect.

Healthy Start focuses on helping young parents, especially mothers, relate to their child. Embedded support workers build a loving, safe, and economically viable environment for their family, and offer unwavering support throughout the program. No other program offers weekly home visits to parents with a range of supportive, educational, and resource links as Healthy Start.

The Baby Fold's Summer Camp provided its 44th year of fun, growth, and renewal in the great outdoors!

For five days at Lake Bloomington, students practiced social skills learned during the school year, made new friends, and created lasting memories. Camp remains a cherished tradition for our children who may not get to experience camping otherwise.

In the summer of 2021, a specially designed visual communication board was added to our sensory playground to help nonverbal children communicate with their teachers.

Before the playground installation, communication boards could be found throughout school halls and classrooms, but not outside. Students would use iPads or laminated communication sheets while learning outdoors.

History of Care on Route 66

Rev up those engines!

The Baby Fold received an official proclamation from the Governor designating the month of July 2021 as “The Baby Fold’s History of Care on Rt. 66 Month” for its long history of serving children and families throughout central Illinois along the pathway of historic Route 66 in Normal, IL.

To celebrate, The Baby Fold hosted a classic car parade with a vehicle from each decade that The Baby Fold has been in service. From a 1908 REO to modern cars, we highlighted almost 12 decades of service with 12 cars along Route 66!

The Baby Fold celebrates its 120th year of service in 2022.
