1. Placing the student or students in reasonable fear of harm to the student's or students' person or property;
2. Causing a substantially detrimental effect on the student's or students' physical or mental health;

Overview: Bullying, intimidation, and harassment diminish a student's ability to learn and a school's ability to educate. Preventing students from engaging in these disruptive behaviors and providing all students equal access to a safe, non-hostile learning environment are important school goals. This policy and procedure address these goals.

This policy and procedure were based on engagement with a range of school stakeholders, including students and parents/guardians (a sample were involved in its development).

This policy will be posted where other policies, rules or standards of conduct are posted in the school as well as on The Baby Fold's website (www.thebabyfold.org). It will be included in the

The reporting period for each year is August 1-July 31. ISBE has provided an Excel spreadsheet to complete and submit by August 15th of each year. Each building administrator will be responsible for tracking this data and reporting it to the Director of Academic Services for the ISBE report. *Starting with the 2025-2026 school year, data will be collected via an electronic reporting system through IWAS that ISBE is being designed.
