Hammitt Elementary School Medication Policy

Vision and Hearing:

Vision and Hearing Screenings are performed annually on all students at Hammitt School. If a child fails a Vision or Hearing Screening, the school nurse will contact the child's parent or guardian.

Dental:

A dental exam is required by the State of Illinois for students in K, 2, 6 grades.

The nurse at Hammitt School may contract with a dentist to come to Hammitt School in the spring. This dental company will offer a free dental exam to all students that return with a signed consent form from the parent.
