Dear Friends,

As I walked down a Hammitt School hallway, I stopped to read a bulletin board that was covered in math symbols. The images took me right back to my school years, standing at the chalkboard and working out math problems of ever-increasing difficulty. Old phrases floated back into my mind...the square of the hypotenuse, the sides of a parallelogram, take the remainder, carry the one, less than, greater than...

As we look back on 2019, we can see our “greater than” God leading us. He rejoices with us when a child reaches toward their potential. When times are uncertain, He reminds us that love casts out fear. We see Him multiplying our work because He has given us friends like you, who pray and advocate for us. The Baby Fold continues to be a strong and faithful ministry to children and families who benefit from our expert and compassionate care. The numbers tell the story.

The Baby Fold is greater than the sum of its parts. We know that children and families all over Illinois are counting on us to guide them through the highs and lows of life together. Our 12 various programs — from prevention to special education, to foster and adoptive care reach over a 28 county area. The radius of service is large. Through the commitment to travel thousands of miles each year to bring our services into homes, where we have the biggest impact, our arms reach across the state. Nevertheless, our focus is on each unique and special child in our embrace. One smile at a time.

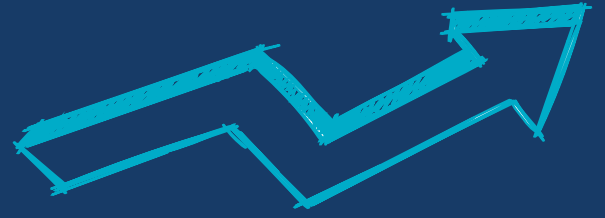

As 2020 lies before us, we are filled with faith, hope and love. We won't see every turn in the road, but we know the path we are on by faith. Our hope is resilient because we have seen God come through over and over. God's love for The Baby Fold and its families is deep and wide. “Faith, hope and love abide. But the greatest of these is love.”

Counting our blessings,

A handwritten signature in cursive script that reads "Dianne Schultzy". The signature is written in black ink and is positioned below the text "Counting our blessings,".

P.S. This annual report is filled with numbers! We hope that you can see that all of our hard work together adds up to healthy kids and families.

TBF is **multiplying** forever homes for children in need.

Adoption

The Baby Fold's adoption support therapists visit families and help parents understand the underlying causes of a child's emotional or behavioral struggles. We also help children learn to manage their 'big feelings' and bond with their new families. As 7-year old "Ethan" explains, "My Baby Fold lady is helping me to know how to be safe and calm, that everything can be okay now."

Hammitt Junior-Senior High School Lemonade Stand

The Hammitt Jr.-Sr. High School lemonade stand was fun and educational for our students — teaching them about planning, preparation, and profit.

Our kids **count** on you.

Voc Ed

Through on-site simulated living and work spaces and partnerships with local businesses, the Vocational Education program at Hammitt Junior-Senior High School is helping students gain independence as well as transferable job skills. Pictured during a shift at Walgreens is one of our students, his teacher therapist assistant Bob Lishka, and Walgreens associate, Louise.

Healthy Start Christmas Party

The Healthy Start Program's Christmas party was a festive time for fun and fellowship! Guests were filled with smiles, laughter, and spent precious time together.

Festival of Trees

The Festival of Trees is The Baby Fold's largest annual fundraiser and was attended by 11,200 guests over a festive November weekend! A silent auction, Christmas fun and entertainment helped get our guests in the spirit of the season!

The Christmas Wish List program helped bring Christmas morning magic to over 580 children who might not otherwise receive gifts.

HJSHS Opening

What was once a school for the Illinois Soldiers' and Sailors' Home is a school once again! With an unmet community need for increased special education services, The Baby Fold spent an entire year transforming our historical building at 612 Oglesby Avenue, Normal into the new location of Hammitt Junior-Senior High School — right on time for the new school year!

HJSHS Staff

Every day, the Hammitt Jr-Sr High School staff bless our kids with individualized academics and transformational love and hope. What great teams!

Community School Activities

Our Community Schools initiative at Fairview and Cedar Ridge Elementary Schools aims to connect school families to community resources and enrich academics through tutoring and out-of-school programming.

Third Community School Announcement

The Baby Fold is excited to announce our third Community School and new partnership with District 87! For the 2019-2020 school year, we will embed a social worker into Sheridan Elementary School to help identify student and family needs, create stronger family partnerships, promote a positive school culture, and provide out-of-classroom learning opportunities that together, will increase academic scores and self-esteem. We can't wait to meet you, Sheridan Elementary! *(photo courtesy of the Pantagraph)*

Dr. Lusk Trauma Panel

Pictured at left is Dr. Rob Lusk, Clinical Director at The Baby Fold, at a public forum on Trauma Informed Care for Children. We love sharing what is central to our work with children and families!

Compeer Financial diaper donation

Compeer Financial held a friendly in-office competition to collect diapers and wipes for our Healthy Start babies! Three teams collected a total of 6,875 diapers and 203 packages of wipes...and a financial gift was included as well! What a fun way to help our littlest clients!

East Bay Camp

The Baby Fold Summer Camp allowed students to experience the peace and beauty of the great outdoors while strengthening social skills, challenging themselves, and having PLENTY of camp fun.

Autism

The Baby Fold's programs for children having Autism are based on each student's unique developmental and sensory needs. Increasing language and communication skills helps improve the acquisition of social, emotional, behavioral and academic skills.

Autism Kids Served

The Baby Fold is currently serving 68 children in our individualized education programs for children who have autism. These blessings come to us from 28 school districts and across 12 counties in Illinois

Sharing our struggles **adds hope**
and **subtracts distress**

Playground Work

We began the installation of a very special outdoor space that will touch the lives of many children for years to come. Made possible by generous donors, The Colin and Russell Ringenberg Memorial Playground and sensory garden is specifically designed for our children with autism and will offer both stimulating and calming opportunities.
