

“This is the best, most informative, practical, and helpful training I have attended.”

– Attendee in Boise, Idaho

Experience practical teaching designed to encourage, educate, and equip families, caregivers, churches, and professionals to better serve children impacted by adoption and foster care.

Featuring presentations on Trust-Based Relational Intervention® methods developed by Dr. Karyn Purvis and Dr. David Cross from the Karyn Purvis Institute of Child Development at TCU to help bring attachment and connection in families.

Show Hope and The Baby Fold are excited to be able to offer you the ability to watch the 2020 Empowered to Connect Event from your home. 2020 Empowered To Connect is a “rewind” event, meaning participants can watch a re-broadcast of either the 2018 or 2019 conference; The Baby Fold has registered to host a re-broadcast of the 2019 Empowered To Connect conference, and will provide this to you at no cost.

Please contact Jen Walbridge at jwalbridge@thebabyfold.org to register. You will then be provided with instructions for how to access the videos and materials online. You can watch the videos at your own pace; the videos will be available until May 31st, 2020. In addition, The Baby Fold will be hosting four web-based support groups intended to provide an opportunity for you to ask questions and talk with other caregivers about the Empowered To Connect material and how to apply it. Those sessions are expected to occur 10 am on 4/17, 5/1, 5/15, and 5/29/2020 and are completely voluntary; this is offered as an additional support in lieu of being able to ask questions in real time during an in-person conference. Instructions for how to access those sessions will be emailed to you when you register with Jen Walbridge at jwalbridge@thebabyfold.org.

CEU credits are available to professionals
