### Hammitt Elementary School Student Absences

In accordance with the procedures outlined in the Compulsory attendance Law (Article 26 of the Illinois School Code), students must attend school until they are 17 years of age. Parents or guardians should notify the office if a child will be absent or tardy. To notify the office, please call (309) 451-7227.

If your child is going to be absent from school for an extended period, please contact your Family Advocate.

Unexcused absences for truancy are absences from school without a valid cause. Hammitt Elementary is required to report unexcused and/or excessive school absences to a child's home school district. To promote student success, unexcused absences are highly discouraged.
